

## 2018 Camp Theme

The 2018 camp theme “STRONG” is based on the 2 Timothy verse that reads, “I have fought the good fight, I have finished the race, and I have remained faithful.” The “STRONG” theme focuses on the fact that believers serve a strong God, and His followers are called to be like Him in every area of their lives - including sports.

FCA camps take the best attributes of an athletic-focused camp and a spiritual-focused camp and combines them into an athletic/spiritual experience like none other. Campers are removed from the routine of their sport, coaches, and friends, and placed into an exciting, healthy, athletic environment that allows them to pursue their passion for sport and clearly see and hear Christ’s passion for them.
